

## **IMPORTANT INFORMATION ABOUT CHANGES TO YOUR ELECTRONIC SERVICES AGREEMENT**

On June 30, 2023, PopMoney will no longer be available in online and mobile banking. At this time, due to the low adoption rate of the PopMoney service and the popularity of other Person to Person (P2P) solutions, HAPO will not be replacing its P2P service. The Electronic Services Agreement will be updated to reflect this change. Visit [www.hapo.org/personal/services/pop-money#faq](http://www.hapo.org/personal/services/pop-money#faq) for more details.
